

An Informative Full-day Seminar:

Part 451 - Respiratory Protection

1 Who Should Attend . . .

This seminar is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log-on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

This full-day course was developed to teach participants: the requirements of Part 451, Respiratory Protection (1910.134), the necessary elements of a written respiratory protection program, MIOSHA interpretations of common questions about the Respiratory Protection Standard, and the most common violations associated with the standard.

**Required Class For
Occupational Health
MTI Certificate**

Agenda

*We offer a flexible
program agenda
to emphasize the
health and safety
topics you
want most.*

- ▶ Explain permissible practice for respirators.
- ▶ Develop and implement a written respiratory protection program.
- ▶ Identify the correct respirator selection for employee protection.
- ▶ Identify potential respirator violations.

The meeting site and parking are accessible. Individuals attending the meeting are requested to refrain from using heavily scented personal care products, in order to enhance accessibility for everyone. People with disabilities requiring additional services (such as materials in alternative format) in order to participate in the meeting should call 517-284-7720 at least 30 days before the program. The Department of Labor and Economic Opportunity (LEO) is an equal opportunity employer/program.

Facilitator

Rory Huddas joined MIOSHA in 2014 as an Industrial Hygienist in the General Industry Safety and Health Division. In that capacity, he conducted inspections at high-hazard industries, investigated workplace fatalities and reports of occupational illnesses, and responded to questions and concerns about occupational health issues.

In 2019, Rory was appointed to the position of Industrial Hygienist with MIOSHA's Consultation, Education and Training Division. In this position, he consults with and advises general industry employers, workgroups, and governmental agencies in the areas of occupational health hazards. He also conducts hazard surveys and delivers training seminars and workshops.

Prior to working for MIOSHA, Rory was an Environmental, Health and Safety Professional in the manufacturing industry. He has a Bachelor's of Science Degree from Grand Valley State University in Occupational Safety and Health Management and was the President of the Student Body of the American Society of Safety Engineers (ASSE).

Presenters: Rory Huddas and Anthony Smykla, Industrial Hygienists;
MIOSHA-CET Division
